segment of the working poor from someone who
has lived it''**maid hard work low pay and a
mother stephanie land**

May 26th, 2020 - the particulars of land's
struggle are sobering but it's the impression

of precariousness that is most memorable the new yorker maid isn't about how hard work can save you but about how false that idea is it's one woman's story of inching out of the dirt and how the middle class turns a blind eye to the poverty lurking just a few rungs below and

it's one worth'
