history of the human body

**adam s navel a natural
and cultural history of
the human**

May 14th, 2020 - a broad
rambling series of riffs on
the cultural interpretations
of the human body

references as varied as
greek mythology
shakespeare frequently
calvin and hobbes and
playboy his prose is
erudite but fluid and very
readable though the book
suffers from a lack of a
central argument or any
driving force" **timeline of**
