## *the floating bridge of dreams*

*May 19th, 2020 - the fair in the month of august brought  
me many other sadnesses and exaltations the full  
spectacle swelled like a symphony from the prelude of  
isolated attractions that arrived much before the others  
and that indicated the general tone of the fair like the  
prolonged stray notes that announce the entire theme of  
the position at the beginning of the concert to the  
grandiose conclusion'*
