'Tableau tip Don't waste the ends of your sparklines?make'

December 3rd, 2013 - Sparklines are one of my favorite chart types to include in dashboards yet I see many people using them without providing enough context Some people like to add bandlines some like to add sets of dots some like to add text all in an effort to add meaning to sparklines"Visual Business

Intelligence ? Bullet Graphs for Not to

February 3rd, 2008 - By Stephen Few February 5th 2008 at 8 25 am Tim Your suggestion to group bullet graphs into types would make the difference stand out more but it would often result in breaking up measures that ought to be seen together and therefore grouped together'
