*May 5th, 2020 - the western is a genre of  
various visual arts such as film television  
radio literature painting and others westerns  
are devoted to telling stories set primarily in  
the latter half of the 19th century in the  
american old west hence the name some  
westerns are set as early as the battle of the  
alamo in 1836 there are also a number of  
films about western type characters in  
contemporary'*
