sociological imagination

the sociological

imagination is the ability

to look beyond one's own

---

everyday life as a cause for daily successes and failures and see the entire society in which one lives as potential cause for these things'

---

---

# **'sociological imagination**

June 7th, 2020 -  
sociological imagination  
is to place oneself outside

---

of everyday routines and to be able to view one's actions or life from third party perspective it allows one to make more self aware decisions

---

---

rather than be swayed by social norms or factors that may otherwise dictate actions lack of sociological imagination can render people very

---

---

apathetic" c wright mills
