music as allied propaganda henri collet**

**April 11th, 2020 - this chapter discusses the role
that several french critics most especially henri
collet ascribed to spanish music in the context of
the anti german sentiment that prevailed in
france before during and after the first world
war the writings of collet the hispanists and
other music critics reveal a tension between the
need to conceptualise spanish music as an allied
national"whose spain negotiating spanish music
in paris 1908**

**April 19th, 2020 - from the very beginning of the
nineteenth century many elements of spanish
culture carried an air of exoticism for the french**

and nothing played more important of a role in shaping the french idea of spain than the country's musical tradition however as samuel llano argues in whose spain perceptions and representations of spanish musical identities changed in the early twentieth century"*samuel llano whose spain negotiating spanish music in*
