a new take on a star is born puts the man in the

April 16th, 2020 - as a hollywood mythology the much remade film a star is born is simple a tale of a woman rising to stardom as the man who discovered her finds his own star burning out her success blossoming at the expense of the man she loves you can think of the story as a life force transference or if you're cynical a law of nature personally i see it as the story of a man grabbing on to a "a star is born the moment an icon bees iconic daily

May 19th, 2020 - picture this a star is born the moment an icon bees iconic by katya edwards for the daily mail published 17 23 edt 16 june 2016 updated 17 25 edt 16 june 2016'
