May 16th, 2020 - it's perhaps inevitable that Keane's debut album *Hopes and Fears* will draw numerous comparisons to Coldplay. Like them, Keane were discovered by indie label Fierce Panda, who released a single, "Everybody's Changing," and like Coldplay, Keane also do a fine trade in catchy and heartfelt indie pop. All bruised verses and soaring choruses.

**"Keane Hopes and Fears" album review** 5 sputnikmusic
