'how radical was the italian design of the 20th century

May 26th, 2020 - the italian design s long tradition that can be traced to the fin de siècle it also experienced a special twist during the 1960s and 1970s with the experimentation and
radicalism inspired by pop art and other tendencies when the phrases bel design and linea italiana appeared in the vocabulary of furniture design it was an era of designers who felt
empowered to test out new materials and ''a designer s guide to working in tech design insights

May 17th, 2020 - this is a collection of resources and stories from my own experiences and those gathered from other designers and where the senior design staff also act as creative leaders or visionaries'
