There's a bit of pattern
here Corruption seems to
be running through the
veins of Shell We see in
all these recent tax

articles how they seem to be snuggled up in bed with the Dutch Government'

'Liquefied Gas Handling Principles on Ships and in

June 22nd, 2018 - The publication has been written primarily for serving ships' officers and terminal staff who are responsible for cargo handling operations but also for personnel who are about to be placed in

*positions of
responsibility for these
operations'*
