May 18th, 2020 - this study appears at a  
time when a decisive turn is due in the  
research on personality development after  
many years of stagna tion and misguided  
research in this field this book should  
lead to a thorough revision and a better  
understanding of current views on the  
factors which have an influence on  
personality let us consider the  
unsatisfactory aspects of the recent  
develop ments in'
