it s not you it s me odyssey

June 2nd, 2020 - it s not you it s me the one line we feel that is just an excuse to get out of a relationship that you do not want to be in anymore the one line that would make you want to slap anyone who actually said that to you but in this case it really was me and not you i outgrew you not in a mean way we outgrew each other'

'it s not me it s you audible audio edition

May 12th, 2020 - overall it s not me it s you is a good read if you looking for something fun predictable and fluffy in the fluffiest way possible i m generally not a fan of high school themed stories be they serious or edic unless they have very interesting premise but i quite enjoyed my time reading this book even though i expected it to'

'urban dictionary it s not you it s me

June 4th, 2020 - a phrase used when terminating a relationship usually used to confuse and or draw attention away from the real reason the relationship is ending because of the emotionally painful nature of the reason rarely used in person more often used in phone converstions e mails and voicemails'
