the cut and paste of modern  
design**

**July 10th, 2018 - When  
shaping machines first  
became prevalent in the surf  
industry they were target of  
regular criticism**

**Mechanisation would glut  
the market and make  
shapers redundant went one  
argument while another  
popular charge took a more  
metaphysical bent that  
shaping machines removed  
the soul of the design  
process'**
