'the superman as salamander symbols of
transformation or**

April 16th, 2020 - it focuses on the idea of transformation as central to Jung's understanding of both Goethe's Faust and Nietzsche's Thus Spoke Zarathustra and it argues that in alchemical terms the Superman is the Salamander while suggesting in the hidden and unspoken part of its title that the Superman does not just be a Salamander he is the philosopher's stone" **goethe the starry messenger**

May 26th, 2020 - Goethe as a young man ostensibly a poet and man of letters at this time of his life went through several years of intensive alchemical study and experimentation and yet over time he became increasingly critical of the material truth of his project calling it a beautiful idea and instead dedicated a reasonable part of his later intellectual activity to elucidating its spiritual truth" **introduction to goethe faust and science seminar**

March 21st, 2020 - Goethe tells us that he began to study alchemy with a Fräulein von Klettenberg in 1768 when he was at home in Frankfurt from Leipzig University to recuperate from an illness perhaps depression his interest may have been awakened by a universal medicine which was administered by an alchemist friend of von Klettenberg and to which Goethe credited his cure' **'goethe the alchemist a study of alchemical symbolism in**
